

# Treat Addiction. Save Lives.

## Implementation and Support for MOUD

Practices that have not prescribed MOUD to more than 4 patients in the last three months are eligible. ISM will help increase access to MOUD and give the providers and the team the confidence to offer MOUD to appropriate patients. Practices will be compensated up to \$12,000 for completion of milestones. For more information or to sign up [CLICK HERE](#).

## Team Training

The practice team training will equip all staff members with the expertise and tools to support a successful MAT program within a clinic. Practices will be compensated \$1,250 for completion of the project. For more information or to sign up [CLICK HERE](#).

## Virtual Learning Forum

"Drop-in" learning community lead by experienced MAT providers every second Wednesday at 12:00pm -1:00pm. All share, all learn environment. [CLICK HERE](#) for meeting link.

## Provider Training

There is no longer a federal requirement for providers to submit a notice of intent or obtain a waiver to prescribe medication for opioid use disorder (MOUD). However, most providers feel more comfortable with education and training. [CLICK HERE](#) to watch a recorded training on MOUD or sign up for upcoming live trainings.

## Substance Abuse Warmline

855-300-3595 Monday – Friday, 7 AM – 6 PM MST Consultation on patient treatment for all substances including alcohol from addiction medicine certified professionals with special expertise in pharmacotherapy options for opioid use. Voicemail is available 24 hours a day.
