Social Determinants Assessment Call Script:

1. Hello, I'm (name) the care coordinator from (provider/clinic name). When you checked in for your appointment at (provider/clinic name) last (date) we asked some questions on the Ipad and you indicated that you would like some help with services for (services they screened positive for).
   a. We wanted to follow up, would you still like assistance with this/these?
   b. (If yes) would you mind telling me a little more about needs so I can help you find appropriate resources?
   c. (If no) would you like to take my phone number in case you change your mind?
